The image features a dark, starry space background. In the center, there is a composite of two celestial bodies. The upper portion shows a realistic Earth with blue oceans and brown landmasses, including Africa. The lower portion of the same sphere is replaced by a fiery, orange-red surface with a granular, lava-like texture, suggesting a planet under extreme heat or destruction. Overlaid on this composite is the text 'DEATH TO' in a bold, white, sans-serif font, and '2020' in a much larger, white, sans-serif font below it.
