MULTI-FACTOR AUTHENTICATION

Coming this Fall!

One-time access code to login

- 6 digit code
- Valid for 10 minutes
- Sent via email or text
- Option to 'Remember Device'

Required (or not) at the User level

Universal across all MinistryPlatform applications using OAuth

MFA DOMAIN SETUP

MFA Required

- If true, request MFA for all Users.
- If false, MFA requirement ٠ will be determined per User.

MFA Remember Days

- Determines the number of days a User's device is remembered before MFA is required again.
- If 0, the Verification Code ٠ will be asked every time.
